Directors

Village of Hope Malawi

October 2010

***“For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future.” Jeremiah 29:11***

This is God’s promise for each one of the children at Village of Hope! It is our privilege to be God’s hand extended to these children. God has a plan for Village of Hope and a purpose for each of their lives.

We are so proud of Asha, our oldest child. Her dream of going to secondary school has come true. At the beginning of the month we took her to a girls boarding school. Her mother at VOH has raised her to be a great Christian young lady!

Sergio Bersaglio, the Director of VOH Africa, visited us this month and was a great encouragement. He confirmed our vision of starting a school at VOH. God has been placing people in our path to help us and we are so thankful. Please pray that God leads us step by step. Our children need the extra help that only small classes with some individual attention can provide.

David had the great privilege of giving bicycles to three rural Pastors. Their ministry to village people is going to be so much more effective.

David giving a village Pastor a bicycle

At this Thanksgiving time, we are thanking the Lord for the food donation from the ladies of a church near VOH, and for the fellowship of Canadian missionaries living in Lilongwe. A special thanks to the Ride for Refuge team who raised \$1,500 for Village of Hope Malawi. Thanks also to everyone who supports us financially and in prayer. We cannot do this without you!

### **Prayer Items:**

1. To find more Godly women to serve as Mothers and Aunties to these precious children.
2. Provision of the monthly operating costs of another house.
3. For God’s clear vision and provision for the future at VOH (more homes, school, clinic)
4. For 100% of our budget so that we can continue ministering at Village of Hope Malawi.
5. For health and protection. David still has asthma issues.
